### Acolytes:

The entrance Procession - ring the Bell or have Father ring the bell at the back door when ready; and WAIT to say the Entrance Antiphon before moving off or when there is a 'choir/music' please wait for the Hymn to at least get past the 1st Verse/Refrain slide BEFORE moving off slowly down the aisle.

### Extraordinary Ministers of Communion:

Come up together at the Agnus Dei - Lamb of God.

After Communion, wash/purify your fingers and return to your seats.

### Readers:

After the initial - 'The Response to the Psalm is:' introduction (except when the choir sings it - 9:30 am Masses) you do not say the Response with the people, after you have said the Verse, LOOK UP - the congregation should be looking at the screens which have the words displayed, and you looking up also reinforces when they should respond.

*Also, please note – the Choir will SING the complete Responsorial Psalm on the 1st Sundays of the Month and as at 20 March 2022, they are singing the RESPONSE to the Psalm, so there is no need to introduce the Responsorial Psalm.*

*Simply wait for the Response to be sung twice and proceed with the Verses (except for the 1st Sundays of the Month when it is sung completely)*

*Except for January each year when the Choir is on leave.....*

*Also, at all other Masses, you DO NOT say the Response with the people....*

**Many thanks**
